

Enable Calls in Microsoft Teams using your existing Unify PBX

Call2Teams™ is a simple add-on to Office 365 that connects Microsoft Teams to your Unify phone system in minutes allowing making and receiving calls on any device using the Microsoft Teams App.

What is Call2Teams™?

Call2Teams™ from Qunifi is a cloud service that connects Microsoft Teams to any existing on-premise or cloud PBX phone system, distributed in the UK and Europe by Viegli.

There's no hardware or software to install and it can be set up in minutes. Now you can bring all users under one collaboration platform by using Microsoft Teams for collaboration, messaging and voice across all devices.

Why customers use Call2Teams™

- Enable Calling in Teams experience without needing any hardware or software.
- Use your existing UNIFY phone system PBX, numbers and facilities. No disruption. Any call center or compliance features stay as they are now.
- A simple monthly subscription cloud service that can be delivered to selected or all users.

Full Teams Experience

- Add calling to teams to increase productivity
- Work on desktop and mobile to free your workforce
- The native Teams calling experience is familiar to users

Get the best of both worlds

Simple Deployment

- Keep your existing phone system with all the features you rely on
- No hardware or software to install
- Only need to enable the solution for users and groups that need it

Can be deployed in hours across the globe

Enterprise Level Service

- Global infrastructure in Microsoft Azure
